- Demonstrates the skills required for leading a team of early years practitioners
- Can make a significant contribution to Kintore Way Nursery School and Children's Centre.

We are a culturally diverse, inclusive Nursery School and Children's Centre within the heart of Bermondsey. We pride ourselves on the support we offer all children including those with additional and complex needs. Our recent OFSTED report commented 'Staff are very well trained to provide excellent support for children with complex needs. Consequently, all children who have special educational needs and/or disabilities flourish at the school from the time they arrive'.

Kintore Way believes in seizing teachable moments as they happen to ensure children continue to be curious and confident learners. We are innovative in our approach and are proud of our rich and exciting learning environment. We use natural resources that are accessed independently by the children in provision that is continuously free flow allowing children to have long periods of time playing without interruptions. We are looking for teachers who can sensitively and playfully interact with children, using children's interests to ensure deep level learning takes place.

Kintore Way Nursery School was judged as outstanding by Ofsted in May 2017. 'Staff work tirelessly to ensure that all groups of children are suitably challenged in their learning. Staff encourage all children to deepen their understanding. They set ambitious tasks and ask demanding questions, particularly stretching the most able children.'

Candidates are strongly encouraged to visit the Nursery School by prior appointment with the Deputy Head Teacher as we consider this an important part of the recruitment procedure.

Closing Date: 12pm Friday 23rd November 2018
Interviews will take place: Tuesday 4th December 2018

To arrange a visit please contact Sarah Lee, Deputy Head Teacher on: 0207 525 1196
