

This Week's Home Learning

Week 8
18.05.20

Personal, Social and Emotional

Friendship:

Ask "Who are your friends?" Talk about what makes a good friend. Make friendship bracelets for everyone your child mentions and label with their name. You could use beads and string, pasta, cut up straws, pipe cleaners, ribbon, plaited wool or thread - whatever you can find! Then (safely) deliver, send or keep safe until we can see them again.

Talk

Communication, Language and Literacy

Make Silly Soup:

Collect some rhyming objects (or pictures) then make some silly soup! You will need a large pan or bowl and spoon. See page 4 of the attached phonics info for more instructions...

Rhyme

Physical

Sadler's Wells Family Dance Workshop

Think of your favourite animal. What do you like about this animal? How does your animal move? Can you make the noises it makes too? Why not watch and follow the online clip led by Sadler's Wells Dance Artist Cherie Coleman.

Story

Literacy

Billy and the Beast

Read the story or watch author Nadia Shireen reading it. There are also lots of lovely activity ideas to try as well as things to make and do @:

There are lots of other books on this website with descriptions, video clips and great activity ideas. You can search by topic depending on your child's interests

Mathematics

String Shapes:

Cut some string, roll it out and see what interesting shapes you can make. Collect some sticks, lay them out and see what shapes and patterns you can create. Which is better for making round/square shapes? You could stick them together to make shape collages or hanging decorations.

Make

Understanding of the World

Ice rescue mission:

Freeze any small plastic toys in a container of water then invite your child to find a way to rescue the trapped creatures/animals/dinosaurs/paw patrol characters from the ice!

Play

Expressive Arts and Design

Tate Paint:

Invite your child to create their own masterpiece using the Interactive Paint board from the Tate gallery website: <https://www.tate.org.uk/kids/games-quizzes/tate-paint>

Digital

Draw

We hope you are all still safe and well. Here are some more suggested ideas for this week - pick and choose those you feel your child will enjoy - no pressure! This week we have put together some information about how to teach phonics to under 5s - it is surprisingly simple and fun but do contact us if you have any other questions or feedback.
