

**LAST DAY OF TERM**  
**The last day of term is:**  
**FRIDAY 21<sup>st</sup> July 2017**  
**There will be no after school club on this day**

**RAMADAN AND EID-UL-FITR**

Many of our Muslim families and staff are fasting for one month. The month of fasting will end on either the 23<sup>rd</sup> or 24<sup>th</sup> of June, with the celebration of Eid-UI-Fitr.

It is important for the children to learn about their local community and special times of year and events. Please talk to your child's key person if you would like to come in and talk to the children about Ramadan and Eid-UI-Fitr.

**TRIPS**

We have decided not to take the children out for end of year trips this year.

We are having a school based fun day instead.

We have booked a company to offer a day of bubble making workshops and demonstrations in school on Wednesday 19<sup>th</sup> July. We will let you know more about the day nearer the time.

**TRANSITION VISITS**

The children in the 2 Year Old Nursery who are due to start in River/Rainforest Room in September have been visiting and exploring their new surroundings.

The children have been introduced to the staff who work in River and Rainforest Rooms and establishing new relationships.

**TRANSITION WORKSHOP**

If your child is transferring to a Primary School in September, please come to our Transition Workshop on:

**Wednesday 14<sup>th</sup> June 2017**  
**9.15am - 10.00am or 2.30pm - 3.10pm**

**HOT WEATHER**

It is important that as the weather is warming up that you protect your child with a form of sunscreen.

Please let your child's key worker know if they are allergic to sunscreen.

Please dress your child in appropriate clothing and footwear; please also provide spare clothes for them.

**Classrooms**

**Orchard, Desert and  
Seashore Room**

The children have been learning about nature and weather.

The children have been looking at different plants, helping the adults water them and seeing the effects of the sun on nature.

**Mountain Room**

The children have been exploring different textures in their environment. They have been experimenting and investigating with water, observing the rain fall and catching it in different containers.

**Rainforest and River  
Room**

In the classrooms they have been making and tasting lots of bread in the new creative role play areas using the bread maker.

We have been talking about going to Primary School and which schools they are going to.

## FEES

As we are approaching the end of term please ensure all balances are up to date.

A statement will be given to you in due course.
