	The new leadership team responsible for the Bermondsey and Rotherhithe Children centres are supported by KW to ensure services meet the needs of the community and provision is high quality.		Planning in the moment is implemented across the nursery school. The unique interests and learning is extended continually for all children. With the provision being regularly refreshed and enriched.		EExAT assessment introduced across the 2-5's team from Sept 2016	
	All staff and governors fully understand all policies and procedures relating to child protection and safeguarding including the PREVENT duty		Learning journey books reflect children's interests and the extended learning and teaching that has taken place. Staff, parents and children all contribute to the learning journey books.		Staff understanding the new system and making accurate assessments of their key children, moderated by teachers and Deputy Head.	
	Kintore Way leadership team work in partnership with the leadership team at the Grove Children and family Centre to ensure both schools are outstanding.		Children have high levels of engagement in the provision and demonstrate the characteristics of learning through their play.		Data being used successfully to inform SIP to ensure children are making good or rapid progress in all areas.
