Go on a rainbow hunt

There's lots of rainbow pictures around. When you next go out and about see how many you can find.

Also, our twitter pages are collecting photos of wildlife you might see on your local journeys. Please send them to us.

As always, these ideas are just suggestions. We hope all our families are keeping well and we would like you to stay in touch.

We understand that it is difficult juggling home life. Remember our school communities still exist and we are all at the end of the phone or email.
