Dear Parent/Carer,

Autumn Term Parental Donation – School Fund

Each term we ask parents/carers to contribute **£10.00** towards the School Fund.

This contribution pays for many extras that enrich your children's experience but can no longer be funded by the reduced school budget. As the school budget is becoming increasingly reduced we are relying on school donations to purchase resources for the classroom.

This term the school fund donations will pay for the following;

- Book bags and books for reading at home
- A Christmas gift for each child
- Small world resources such as; dolls houses, cars, people, animals etc
- Sensory toys
- Ingredients for malleable play such as cornflour, flour and shaving foam
- Real fruit and vegetables for autumnal observational drawings such as; pumpkins, squashes, pomegranates and apples.

All donations are required to be made via the ParentMail app.

It is important that you have the ParentMail app downloaded on your phone as we also use the app for communication purposes (emails/texts).

Thank you for your continuing support.

Rebecca Sherwood
Executive Headteacher
