

## Three Week Planning beginning 9/05/22

This week our core books are:

'The Three Billy Goats Gruff'

'10 Little Fingers and 10 Little Toes'

Our core rhyme is

Row, row, row your boat  
Gently down the stream  
Merrily merrily, merrily, merrily  
Life is but a dream

Row, row, row your boat  
Gently down the stream  
If you see a crocodile  
Don't forget to scream.

We are learning the following poem,

Pitter Patter  
Pitter patter falls the rain,  
On the roof and window pane.  
Softly, softly it comes down,  
Makes a stream that runs around.  
Flowers lift their heads and say,  
"A nice cool drink for us today."

Walk to School Week

From Monday 16<sup>th</sup> May to Friday 20<sup>th</sup> May it is Walk to School Week. We hope as many children will be walking to Nursery School as possible during this 5-day challenge. It is good for the children and good for the planet.

Counting and Number

We are doing lots of counting and numeral recognition activities and conversations during our play at nursery. Add some fun to your journey to nursery and back home and other outings with your child by exploring number while on your way.

Can children count how many steps you are walking, how many trees they pass? Can they spot numbers on buses and on doors? How many items do you put into your shopping basket? How many coins are in your purse? All this extra counting will support and consolidate their learning.

You can help your child by reading with your child every day, singing our core rhyme together, and reciting and acting out the poem.
