

# Three Week Learning Block - September 12<sup>th</sup> to September 30<sup>th</sup>

## Core book is "Brown Bear Brown Bear"

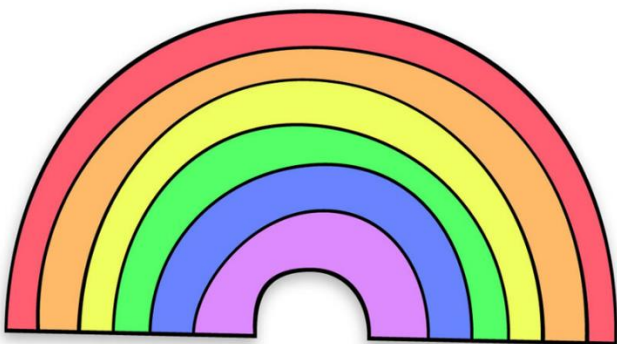

Follow the link to see the story with Makaton signing <https://www.youtube.com/watch?v=AC6-yK6GeGU>

### Core song is "It's a Rainbow"

Take a little bit of red (echo),  
And a little bit of orange (echo),  
Add a stripe of yellow (echo),  
And a stripe of green (echo),  
A little bit of blue (echo),  
A bit of indigo (echo),  
Don't forget the violet (echo),  
Then what do you know? (echo),  
It's a rainbow (echo), It's a rainbow (echo).

A little bit of rain, a little bit of sun,  
When they come together they make rainbow fun.  
It's a rainbow (echo),  
A wonderful, wonderful, magical, magical,  
Colourful, colourful, shining rainbow (echo).

### Core Song, 'The Bear Went Over the Mountain'

Oh, the bear went over the mountain,  
The bear went over the mountain,  
The bear went over the mountain,  
To see what he could see.

But all that he could see,  
But all that he could see,  
Was the other side of the mountain,  
The other side of the mountain,  
The other side of the mountain,  
Was all that he could see.

So, he went back over the mountain,  
He went back over the mountain,  
He went back over the mountain,  
To see what he could see.

But all that he could see,  
But all that he could see,  
Was the other side of the mountain,  
The other side of the mountain,  
The other side of the mountain,  
Was all that he could see.  
All that he could see!

Follow the links to hear the song being sung.

## Makaton

We are learning these Makaton signs:

Hello

More

Toilet

Drink

## Relaxed and Happy Learning

Adults are supporting children to feel happy and relaxed as they play through the day. Children are supported in choosing activities that interest them and adults are playing alongside children.

Children are able to develop their interests as well as share experiences with their friends. Adults play with the children, extending their vocabulary and thinking skills as well as their social skills through modelling and conversation.

## Keeping Healthy

Adults will be supporting children to be confident in using the nursery toilets. They will be supporting children to wash and dry their hands properly after they have used the toilet and before they eat snack and before they eat lunch.

## Mathematical Development Matching and Sorting.

The visual memory and discrimination involved and the identification of patterns and relationships and similarity and difference **help children to learn about early representation and problem solving.** Matching and sorting activities can also be good for developing fine motor skills.
