

Core Book - 'We're Going on a Bear Hunt'

Our Songs and Poems

If You're Happy and You Know It

If you're happy and you know it clap your hands (x2)
If you're happy and you know it
and you really want to show it
If you're happy and you know it clap your hands

If you're angry and you know it stamp your feet (x2)
If you're angry and you know it
and you really want to show it
If you're angry and you know it stamp your feet

If you're sad and you know it have a cry (x2)
If you're sad and you know it
and you really want to show it
If you're sad and you know it have a cry

If you're happy and you know it shout hooray (x2)
If you're happy and you know it
and you really want to show it
If you're happy and you know it shout hooray

The More We Get Together

The more we get together, together, together
The more we get together the happier we'll be
'Cos my friends are your friends
And your friends are my friends
The more we get together the happier we'll be.

Row, Row, Row Your Boat

Row, row, row your boat gently down the stream
merrily, merrily, merrily, merrily
life is but a dream.

Rock, rock, rock your boat roughly down the stream
and if you see a crocodile don't forget to scream.

Row, row, row your boat gently down the river
And if you see a polar bear don't forget to shiver.

Row, row, row your boat slowly to the shore
And if you see a lion there don't forget to roar.

All My Love is Bubbling Over

All my love is bubbling over (X3)

How do you do there?

..... love is bubbling over (X3)

How do you do there?

..... is bubbling over (X3)

How do you do there?

.....bubbling over (X3)

How do you do there?

..... over (X3)

How do you do there?

All my love is bubbling over (X3)

How do you do there?

Let's Put on Our Mittens

Let's put on our mittens, and button up our coats.
Wrap our scarves snugly around our throats.
Pull on our shoes and fasten the straps.
And tie on tightly our warm woollen hats.
Open the door, and out we go.
Out, into the soft and feathery snow.
Crunch, crunch, crunch.

Understanding the World

Changing Materials

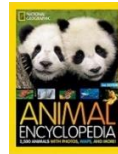

We will investigate how different materials change.

Ice Excavation Experiment

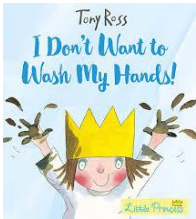

We will investigate how water changes to ice and back to water. We will find ways to rescue small world toys trapped in ice.

Making Playdough

We will talk about properties and changes as we use different ingredients to make playdough.

Self Help Skills

Children will be supported to further develop their self-help skills by learning to put on their coats when going outside. There will also be a focus on toileting skills including learning the pants rules. Children will learn to wash hands after coming in from the garden, after using the toilet or before having drinks, snack or lunch.

Bears (Information Books and Photos)

We will be using 'We're Going on a Bear Hunt' as a springboard to look at wild animals, a variety of bears in particular. We will explore different kinds of bears - polar bears, pandas, brown bears and Koalas. We will look at 'information books' with children to learn interesting facts about these mammals.

Makaton

We are learning these Makaton signs:

Happy

Sad

Toilet

Cold

We're going on a Bear Hunt!

We will think about which areas or resources in our garden could represent the wavy grass, the dark forest, the cave or squelchy mud so we can retell and act out the story. We will build obstacle courses and experiment with different types of movement as well as positional language.

Indoors, we will continue to explore the theme of bears and will be introduced to traditional songs such as 'Teddy Bear Picnic' to further develop our role play.
