

**3-5s' - Three Week Learning Block - March 17 - April 4 2025**

**Core Books**

**Jack and the Beanstalk**

**Jasper's Beanstalk**

**Our Songs and Poems**

**Hot Cross Buns**

Hot cross buns, hot cross buns,  
One a penny, two a penny, hot cross buns.  
If you have some children  
Give them to them all.  
One a penny, two a penny, hot cross buns.

**A Little Seed (Poetry Basket)**

A little seed for me to sow  
A little soil for it to grow  
A little hole, a little pat  
A little wish, and that is that.  
A little sun, a little shower,  
A little wait, and then a flower.

**5 Little Speckled Frogs**

Five little speckled frogs  
Sat on a speckled log  
Eating the most delicious bugs (yum  
yum)  
One jumped into the pool  
Where it was nice and cool  
Then there were four green speckled  
frogs (glub, glub).

**There's a worm at the bottom of  
my garden**

There's a worm at the bottom of my  
garden,  
And his name is Wiggly Woo.  
There's a worm at the bottom of my  
garden  
And all that he can do  
Is wiggle all day and wiggle all night--  
The neighbours say  
what a terrible fright!  
There's a worm at the bottom of my  
garden,  
And his name is Wiggly,  
Wig-Wig-Wiggly,  
Wig-Wig-Wiggly Woo!

You can help your child by reading with your child every day, singing our core songs together, and reciting and acting out the poem.

## Science Focus

Science is about investigating materials, forces and nature.

- Look for wildlife such as insects, frogs and birds in the garden or park - what can you find out about them in their habitat?
- Plant some seeds and care for them and watch them grow.
- Cut open some fruit and look at the size and shape of the seeds inside.
- Make some ice and then melt it.
- Use a magnet to find out what objects and materials are attracted to it.

## Makaton

We are learning these Makaton signs:

**Now**

**Next**

**Plant**

**Grow**

**Help**

**Kind**

## Easter

Join us for another Sing-A-Long session.

Enjoy some of our favourite core songs.

Refreshments such as Hot Cross Buns will be provided.

## Eid Al-Fitr

Eid ul-Fitr (festival of breaking the fast) marks the end of Ramadan.

We would love any families you to share with us how this festival is celebrated.

## Growing Packs

Children will receive a growing pack of seeds such as beans and cress to grow at home. Please send in photos for your child's key person to show how the seeds are growing. When growing plants at nursery we will investigate measures talking about which plants are short, tall, taller and tallest.

I wonder how tall your beanstalk will grow?  
How can you measure your plant?  
Do remember to water your seeds.

## Springo!

As it is now Spring, why not go for a walk in the park and see if you can spot the following signs of Spring, such as a bee, a blue flower and different textures of bark. Record what you see/hear/smell/feel on the 'Springo!' sheet (in your growing pack). When it is complete, you can call out, "Springo!"
