Relaxed and Happy Learning

Some children will be starting nursery and so adults will be supporting children to feel happy and relaxed as they play through the day. Children are supported in choosing activities that interest them and adults are playing alongside children. Children will also be supported to become familiar with routines. Children will also be encouraged to develop role-play ideas based around core books.

Keeping Healthy

Adults will be supporting children to be confident in using the nursery toilets.

They will be supporting children to wash and dry their hands properly after they have used the toilet and before they eat snack and eat lunch.

Celebrating Ourselves

Children will be encouraged to feel proud of who they are by talking about themselves, their interests, their families and who they like playing with.

We will also be celebrating **World Afro Day** on Monday the 15th of September and will ask families to come in and share how afro hair is styled and products used.

Physical Skills

Children will be developing their physical skills by rolling tyres around the garden.

They will also be encouraged to learn each other's names and make friendships as they roll tyres to-and-fro to their peers whilst playing 'Ready, Steady, Roll'.
