## Community Event

After half term, Kintore Way is planning a Community Event after school to celebrate a successful year together. If you would like to contribute through cooking a dish; helping to source raffle prizes; or you or someone you know would like to perform – please let us know! Further details will be sent nearer the time.

Last newsletter I wrote about sun cream and hats but unfortunately we haven't seen much sun yet! Surely after the holidays the sun will shine?!

Please ensure that your child brings in lots of spare clothes for water play; and a sun hat (all named). Also apply sun cream to your child before they come to Nursery on sunny days.

## Transition to Primary School

The children in Mountain Room have all made so much progress and we are very proud of them! We will soon be getting ready to help them move onto primary school. We are in the process of arranging handovers with their new settings so that they know all they need to know about your child.

More details to follow after half term.

We have enjoyed engaging in lots of fine-motor activities this term to help strengthen the children's hand muscles and get them ready for writing.

Thank you for bringing your child in wearing Velcro shoes so we could practise taking them on and off. We have been consistently saying "shoes on, straps on" and "straps off, shoes off" and this has helped the children make progress in developing this skill.
