Our Songs and Poems

This Little Light of Mine

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
Let it shine, let it shine, let it shine.

Everywhere I go, I'm gonna let it shine.
Everywhere I go, I'm gonna let it
shine.
Everywhere I go, I'm gonna let it
shine.
Let it shine, let it shine, let it shine.

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
Let it shine, let it shine, let it shine.

You Are My Sunshine

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know, dear
How much I love you
Please don't take my sunshine away

Rainbow ribbon song

Take a little bit of red, take a little bit
of red,
and a little bit orange, a little bit of
orange.

Add a stripe of yellow, add a stripe of
yellow,
and a stripe of green, and a stripe of
green.

A little bit of blue, a little bit of blue,
A bit of indigo, a bit of indigo.
Don't forget the violet, don't forget the
violet.

Then what do you know, then what do
you know.

It's a rainbow, it's a rainbow.

A little bit of rain, a little bit of sun,
When they come together they make
rainbow fun.

It's a rainbow, it's a rainbow.

A wonderful, wonderful, magical,
magical, colourful, colourful, shiny
rainbow, shiny rainbow.

You can help your child by reading with your child every day, singing our core songs together.

Makaton

We are learning these Makaton signs:

Yes

No

Please

Thank you

Community Evening

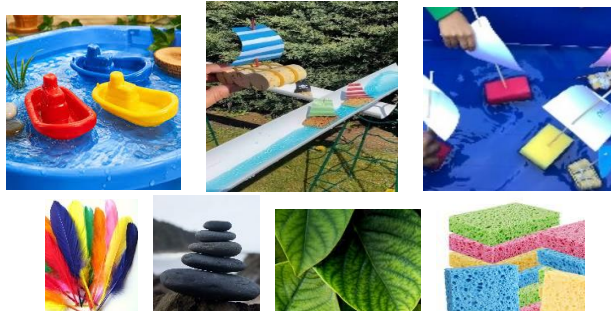

We are looking forward to seeing you at the Community Evening on Wednesday 8th of July.

Investigating Nature

How have your runner bean plants and sunflowers have grown? At nursery, children have been watering plants and building bug hotels. They've also begun to release butterflies which have emerged from their cocoons. Have you spotted many butterflies whilst out walking?

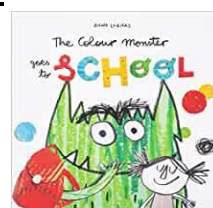

Boats

Sinking and Floating

Have fun investigating which materials float or sink by gathering different materials like feathers, stones, leaves, corks, sponges, plastic boats and predicting if they will float or sink. Encourage your child to find ways to build a boat using recycled materials. Don't forget to sing 'Row, Row, Row Your Boat!'

Transitions

Many children will be leaving nursery to for Reception Classes. We will support children with this transition by looking at story books, and having conversations so that children are ready for this change. We will talk about the different feelings that we may have as we say goodbye to friends and teachers to go to new schools. Some of the children's Reception class teachers have made appointments to see the children here at Kintore. Do talk to us about how your child is feeling about their move to their new school.

You can help your child by reading with your child every day, singing our core songs together.
